EUMC BLESSING BOX

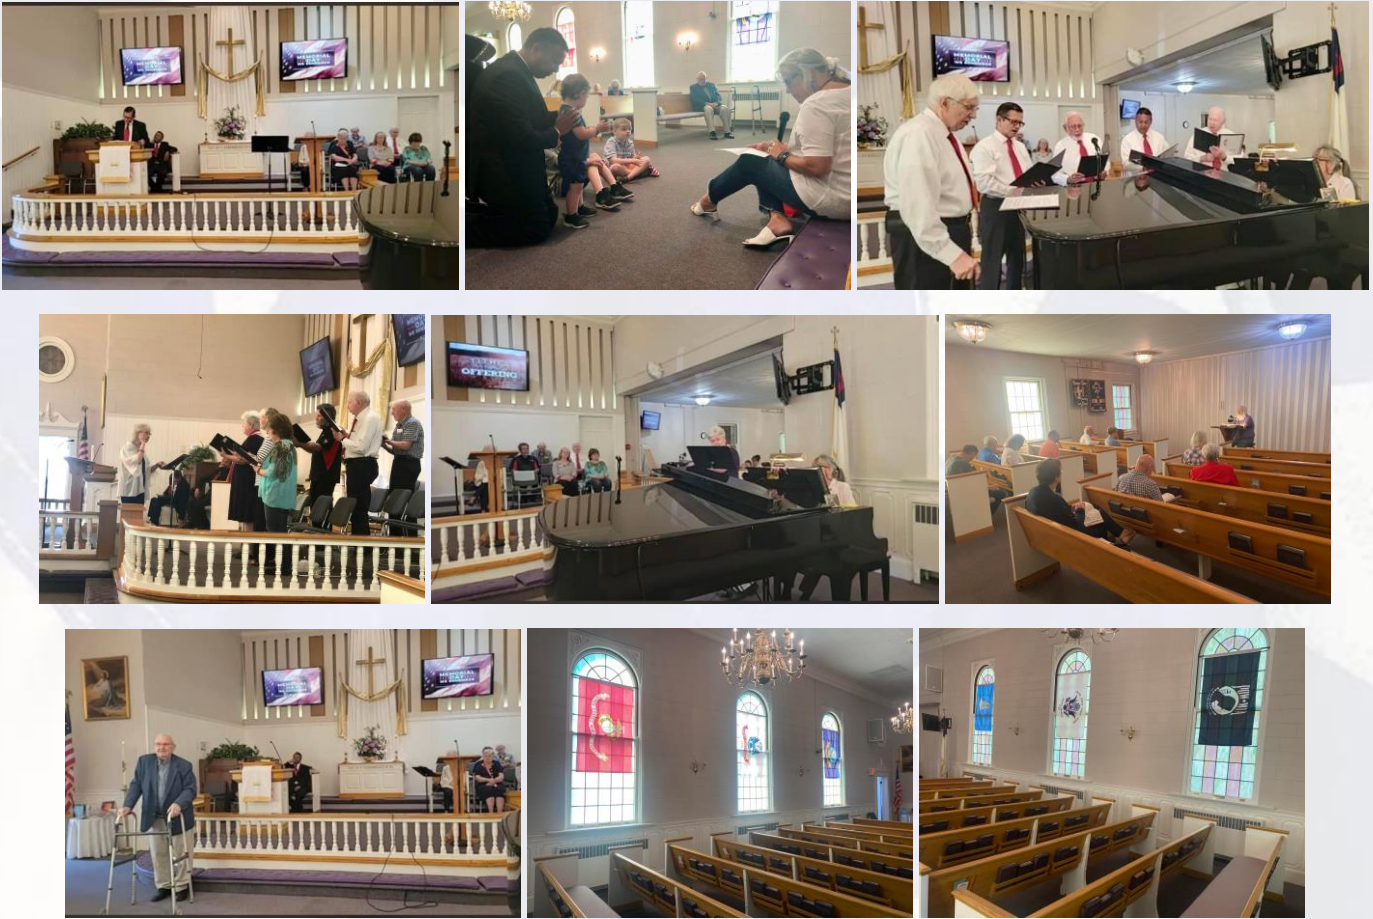

We now have a blessing box in our Church Parking lot Facing the CVS PARKING LOT. Thank you EUMC Trustees, led by Kathy Sandel, our chairperson, in placing this Blessing Box, where People in our community can pick up free food. This will be another way EUMC can reach our community. This week our children in our Vacation Bible School have been bringing canned food for the blessing box. Wonderful ministry for Jesus. If you would like to stop by during the week as you pass by the church, you can also place canned food for the community. We will also place prayer section where people can leave a prayer request and our church family can pray. Glory to God. Amen
